

May 24, 2021

Dearest Family and Friends,

We have great news! As we carefully re-open Aloha Nursing Rehab Centre, the return of our beauty and barber services is just around the corner. However, Aloha's beauty shop is currently under renovation so services will be limited to haircuts only, no shampoos or color services at this time.

To receive a haircut for your loved one, they must have a Patient Trust Fund (PTF, like a savings account) open with our Business Office and have money deposited prior to scheduling a haircut.

If you need to open a PTF or have any questions regarding PTF accounts, please contact Shinobu at (808) 247-2220 ext.510. The price for Men's haircuts is \$16; women's haircuts \$20; tips are optional and may be paid through your PTF account.

Please schedule all appointments with our Therapeutic Recreation manager Renee at (808) 247-2220 ext. 553.

Haircut services will begin the first week of June!

Thank you,

Renee Sakata

Therapeutic Recreation Manager
