October 4, 2021

Aloha Employees, Residents, Responsible Parties and Families,

On Friday, October 1, 2021 one of our direct care employees tested positive for COVID-19 during routine bi-weekly testing. This employee was last in facility on Friday, October 1, 2021 and is at home recovering.

In response to this recent COVID-19 identification, we have conducted our first round of COVID testing on all residents and staff, all test results are negative. We will continue to interval test all resident and staff throughout the next 14 days. We will continue to monitor residents and staff for COVID symptom development. Our facility is taking the necessary precautions to minimize any potential spread by utilizing infection prevention and control procedures. We are adhering to the direction and guidelines provided by the State of Hawaii Department of Health, Centers for Medicare & Medicaid (CMS) and the Centers for Disease Control (CDC).

COVID-19 is a very sneaky virus. We all have the ability to play a large role in combating this pandemic. We urge everyone to do their part both in and outside of our facility, which includes following county, state, and federal requirements to stop the spread of the virus. Please continue to practice physical distancing, wear a mask, wash your hands frequently and avoid unnecessary social gatherings.

Please continue to do periodic self-wellness check for COVID-19 symptoms which include: fever, headache, sore throat, scratchy throat, dry throat, nasal congestion, runny nose, cough, chest congestion, sneezing, chills, muscle ache/pain, unusual tiredness or fatigue, nausea, vomiting, diarrhea, loss of taste and/or smell, shortness of breath or other respiratory illness. If you experience any of the above symptoms, please contact your health care provider.

ANRC Employees please contact your supervisor immediately if you have any of the symptoms mentioned above so we can assess the situation and determine if you are cleared to work.

Sincerely,

Vanessa Bruns  
Quality & Compliance Officer
