August 29, 2025

Aloha Family and Friends,

This letter is to inform you that there will be a change in Aloha Nursing Rehab Centre's Medical Director. Aloha is continuing its partnership with Mi Health to provide the Medical Director, as well as additional Attending Physicians and Nurse Practitioners, to serve our residents.

As of September 1, 2025, Dr. Gordon Beh will be appointed Medical Director at Aloha Nursing Rehab Centre. Most of you may already know Dr. Beh, since he has already been serving as the primary physician for your loved one at ANRC. The transition of Dr. Beh to Medical Director at ANRC will not create any changes to continuity of care.

If you have questions regarding the transition of ANRC's Medical Director from Dr. Toby Smith to Dr. Gordon Beh, please contact Sandy Richey, COO, at 808-441-9517 or Nainoa Heaston, Administrator, at 808-441-9536 and we will be happy to address any questions or concerns.

Mahalo,

Sandy Richey

Chief Operations Officer
